

401(k) MADE EASY

SIMPLEST AND MOST CONVENIENT 401(k) PLAN

Stop wasting time worrying about 401(k) compliance and administration. From uploading employee 401(k) deferrals to Department of Labor filings to on-boarding new employees, MoneyIntel automates your responsibilities as a plan sponsor with just a few clicks of a mouse.

INTEGRATED TO ALL MAJOR PAYROLL SYSTEMS

Employees save for their 401(k) through payroll, so shouldn't your payroll and 401(k) be automatically synced? MoneyIntel automates your 401(k) payroll uploads every pay cycle, so you don't have to!

FINANCIAL ADVICE FOR EMPLOYEES

Investing can be confusing, but MoneyIntel's software based advising portal empowers employees to invest with confidence for their retirement – all built right into your 401(k)!

VANGUARD INDEX FUNDS

Index funds are popular with employees, low-cost, and outperform actively managed funds. So why pay 1.5% in actively managed fund fees?

LOWEST COST 401(k) IN THE INDUSTRY

401(k) costs shouldn't be the reason your employees don't have retirement benefits. With our flat \$1,500 annual fee, every business can now afford a 401(k) plan.
